

28. China's Gas Development Strategies

1. Front Matter

Pages i-xlvi

[PDF](#)

2. [General Summary](#)

Shell International and The Development Research Center, Jinzhao Wang, Changwen King, Martin Zhao, Wei Li, Shijin Liu et al.

Pages 1-45 [Open Access](#)

[PDF](#)

3. Analysis of Natural Gas Demand

1. Front Matter

Pages 47-47

[PDF](#)

2. [Developments in Global Natural Gas Consumption](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, Taoliang Lee, Shangyou Nie

Pages 49-76 [Open Access](#)

[PDF](#)

3. [Potential for Natural Gas to Act as a Substitute Fuel in China](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, Taoliang Lee, Shangyou Nie

Pages 77-100 [Open Access](#)

[PDF](#)

4. [Environmental and Social Value of Natural Gas](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, Taoliang Lee, Shangyou Nie

Pages 101-111 [Open Access](#)

[PDF](#)

5. [Analysis of Medium- to Long-Term Natural Gas Demand and Supply](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, Taoliang Lee, Shangyou Nie

Pages 113-132 [Open Access](#)

[PDF](#)

6. [Analysis of China's Natural Gas Use Policies and Suggested Reforms](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, Taoliang Lee, Shangyou Nie

Pages 133-152 [Open Access](#)

[PDF](#)

4. Analysis of Gas Supply for China

1. Front Matter

Pages 153-154

[PDF](#)

2. [China's Natural Gas Resource Potential and Production Trends](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, Taoliang Lee, Shangyou Nie

Pages 155-195 [Open Access](#)

[PDF](#)

3. [International Natural Gas Supply and Quantities Available to China](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, Taoliang Lee, Shangyou Nie

Pages 197-232 [Open Access](#)

[PDF](#)

4. [Analysis of China's Natural Gas Infrastructure Development Strategy](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, Taoliang Lee, Shangyou Nie

Pages 233-246 [Open Access](#)

[PDF](#)

5. [Analysis of China's Peak Shaving and Natural Gas Storage Systems](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, Taoliang Lee, Shangyou Nie

Pages 247-258 [Open Access](#)

[PDF](#)

5. Creation of Natural Gas Market Mechanisms and Reform of Natural Gas Management Systems

1. Front Matter

Pages 259-260

[PDF](#)

2. [China's Current Natural Gas Market Mechanisms and Regulatory System](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, Taoliang Lee, Shangyou Nie

Pages 261-285 [Open Access](#)

[PDF](#)

3. [International Experience of Liberalisation and Evolution of Natural Gas Markets](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, TaoLiang Lee, Shangyou Nie

Pages 287-302 [Open Access](#)

[PDF](#)

4. [Regulatory System Reform to Support Natural Gas Market Liberalisation](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, TaoLiang Lee, Shangyou Nie

Pages 303-308 [Open Access](#)

[PDF](#)

5. [Roadmap for Natural Gas Market Liberalisation and Regulatory Reform](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, TaoLiang Lee, Shangyou Nie

Pages 309-322 [Open Access](#)

[PDF](#)

6. [Policy Measures and Safeguards to Support Natural Gas Market Liberalisation and Regulatory Reform](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, TaoLiang Lee, Shangyou Nie

Pages 323-332 [Open Access](#)

[PDF](#)

6. International Experience from the Development of Gas Markets Globally

1. Front Matter

Pages 333-334

[PDF](#)

2. [International Development Trends](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, TaoLiang Lee, Shangyou Nie

Pages 335-344 [Open Access](#)

[PDF](#)

3. [The Global Natural Gas Market](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, TaoLiang Lee, Shangyou Nie

Pages 345-378 [Open Access](#)

[PDF](#)

4. [An Overview of International Regulatory Experience](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, Taoliang Lee, Shangyou Nie

Pages 379-424 [Open Access](#)

[PDF](#)

5. [A Close Look at the Natural Gas Industry Chain](#)

Shell International and The Development Research Center, Mallika Ishwaran, William King, Martin Haigh, Taoliang Lee, Shangyou Nie

Pages 425-471 [Open Access](#)

[PDF](#)

7. Back Matter

Pages 473-477

[PDF](#)
